Drill Work

Drill Work

Can place the cones where you want depending the distance for the shot you want to take. Can have a coach pass or have 2 lines with them alternating. Can have your players form a variety of cuts. Also, can have them circle, jab fake or shot fake on the catch.

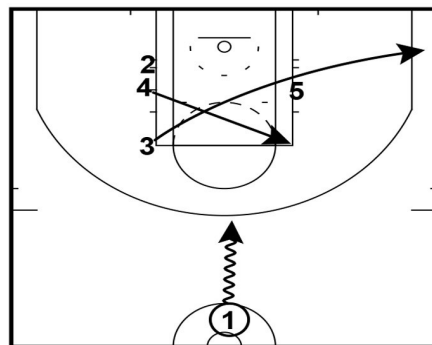

1 passes to coach or teammate. Will defensive slide from cone to cone. Once they get to outside cone, plant with outside foot a cut back to the ball for their shot

# ANYTIME YOU FEEL LIKE QUITTING...

Whenever the going gets tough, encourage yourself with the following example of persistence:

- He failed in business in '32.
- He ran for the state legislature in '32 and lost.
- He tried business again in '33 and failed.
- His sweetheart died in '35
- He had a nervous breakdown in '36
- He ran for state elector in '40, after regained his health. Congress in '48, defeated when he ran for the Senate in '55, and defeated for vice president of the United States in '56.
- He ran for the Senate again in '58 and lost.

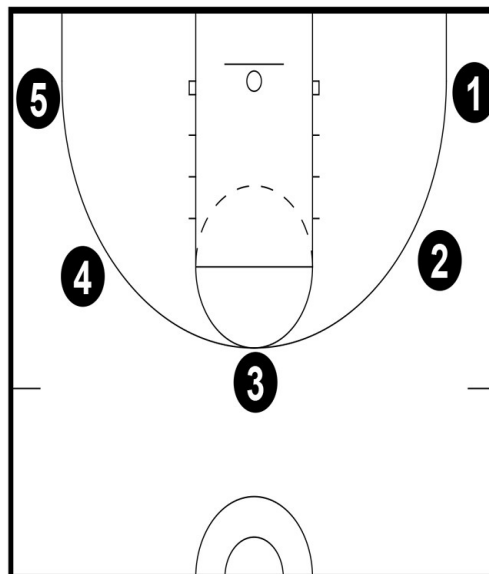

*Trust comes from repeated behavior over a period of time.*

Even after all his failures, this man refused to quit. He kept trying, until in 1860 he was elected president of the United State. By now you know that this man was Abraham Lincoln
